Add some fun to your chargers
with new solar-powered and
metallic options

Video Card With Charger

The step ahead of the standard video card! This removable video display charger allows your message to be seen over and over and over...

Leather Tech Organizer

A high-end twist to the standard organizer.
This leather case can hold it all!

Custom Travel Adapter

Take your logo overseas with this custom travel adapter

Full Color Power Pack

A full color design is the perfect way to re-charge!

Don't trust your brand with just any product. Choose a product that is domestically made, takes safety seriously, offers a lifetime warranty AND friendly customer support. And that's just the technical stuff!

Don't get us started on DESIGN, BRANDING, PACKAGING & CUSTOM PROJECTS!

Custom Golf Watch

TLink is a lightweight Bluetooth Device that pairs with your smartphone to give you accurate front, middle, and back yardages to the green. It is also works as a pedometer, tracking your calories, and distance walked on the course. With over 30,000+ courses worldwide, TLink has you covered no matter where you play.

Ear Bud Covers

Custom removable earbud covers

Light Up Bluetooth Speaker

Bluetooth speaker with a built-in microphone, LED lamp, digital creative pallet, a thermometer, a smart alarm clock, and a desktop notification system. Through the device you can stay in touch with social media while listening to your favorite tunes in exceptional high quality.

Lanyard Charging Cable

This Lanyard can also be used as a lanyard/badge holder for corporate and other events, conventions and trade fairs. The cell phone charging cable will be used by recipients long after the event. Extra long step and repeat imprint opportunity for unparalleled promotion.

Full Color Charging Cable

Empower your brand while charging vital communications devices with this one-of-a-kind, stunning, full-color imprinted Apple® MFi Certified Toddy Lightning™ Charge and Sync Cable. Its imprint highlights vibrant color, and high-definition detail on both sides of the slim, flat cable surface and the USB connector.

Bowers & Wilkins Executive Tech

High-end tech- the perfect executive gift

Drinkware and Accessories

Full Color Galvanized Steel Pail

5 Quart Galvanized Steel Pail

Wellness Gem Bottle

This basic, well-balanced composition was used to inspire water for hundreds of years. Experts claim that amethyst stimulates and soothes the mind and that rose quartz fosters tranquility. Having this vial in a VitaJuwel decanter on your dining table will let you experience water totally anew.

Glass Water Bottle

16 oz single wall borosilicate glass bottle with threaded lid,
carrying loop, and protective silicone sleeve

Metallic S'well Bottle

Brilliant metallic versions of the ever popular S'Well Bottle

Mist In Sip Top

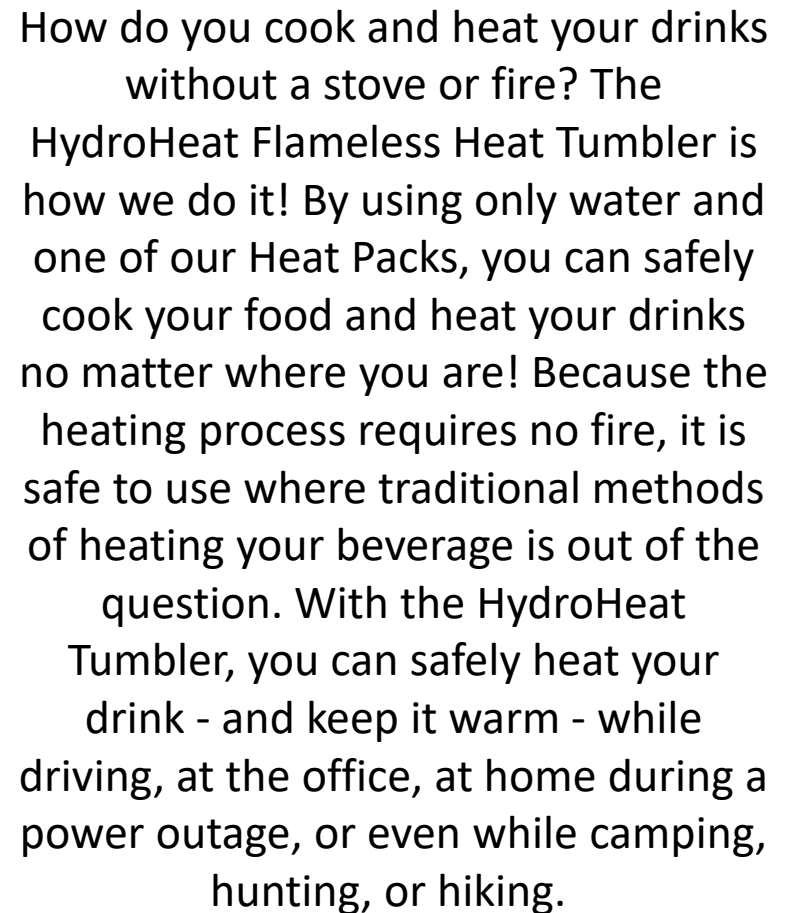

Mist 'N Sip® products provide a unique combination all in one - Misting and Drinking. The mist feature helps to cool you down on the outside while you stay hydrated on the inside. We offer a wide selection of different drinking and bottle options to quench your fitness and outdoor thirst.

Pelican™ Brand

The Pelican Traveler 22 oz. tumbler will keep your hot drinks hot and your cold drinks cold. It features 18/8 stainless steel double-wall vacuum insulation, copper-plated inner wall for extreme hot and cold retention. The tumbler will keep drinks hot for up to six hours and keep ice for up to 24 hours

Custom Pop Up Bottle

Water bottle with 360 degrees full color printing
Includes pop-up lid with straw and silicone gasket

Custom Straws

On Earth Day 2014, the patented flexible paper straw was introduced. Now straw lovers can choose a paper straw that bends right where they need it to. These straws are biodegradable, compostable, 100% chlorine free and always made in the USA. And they are the *only* paper straws on the market made with FDA food grade-approved inks and paper.

Reusable Cup Carrier

This carrier is the perfect solution for carrying many drinks for large groups. This ingenious device, built with a solid base, allows you to carry up to 6 cups of beverages in one holder and the sturdy frame of the device allows drinks to sit leveled during transport. When not in use, it easily folds up flat for simple and convenient storage to fit in the back of your car seat.

Selfie Snack

The Selfie Snack Cup fits over the top of a 12oz can with access for a straw so you can drink your beverage and keep your snacks handy at the same time. PMS color match available with a one color imprint.

Retro Cooler and Drinkware VP Brand Frio Retro Combo

The Frio Retro is a blast from the past! The Retro holds 18 cans or 12 bottles with sufficient ice, is made of stainless steel, includes a steel bottle opener, and an easy flip handle. It holds ice for up to 24 hours!

The Powder Coated 24-7 holds 24oz of your favorite beverage, keeps it ice cold or piping hot for 24 hours a day, 7 days a week! It includes a Triton Polymer clear lid with a straw insertion point and bottle opener built into the base!

New Cooler

This isn't your mom's old personal soft-sided cooler. This Made-in-the-USA cooler packs a serious punch that keeps ice solid for up to 24 hours in 120-degree heat! Wrapped in a heavy duty 1,000 denier vinyl shell, it's stronger than any other soft-sided cooler, tear resistant up to 375 pounds and is UV-protected to ensure it doesn't fade. With nearly an inch of insulation, this beverage cooler keeps your drinks frosty cold.

Full Color Bottle Opener

Make an everyday accessory into an eye-catching billboard

Bags and Accessories

Full Color Leather Gods

Genuine leather 5-piece Travel set. Your 4-color custom image imprinted on the exterior of each item. (luggage tags are 4-color on the front side). All items have the option of an additional image and a debossed or foil stamped logo.

Adventure Packs

Duffle Handle Backpack

3 Ways to Carry

Laminated Non Woven Bag

Do your part to save the environment with these multi-use reusable grocery tote bags! Featuring reinforced stitching and extra piping along major seams.

**Fast turn time and
low minimums**

Suede-ish & New Bag Line “Creative”

High quality neoprene (wet suit material).
Impress everyone with items with this material.

Solar Charge Cooler

High-tech solar charging system with a cooler. Its industrial grade solar panels are able to charge mobile devices rapidly so you don't have to worry about running out of power. Plug your original USB charging cable into the USB port provided on the bag and place the cooler in direct sunlight to begin charging. Features include a spacious cooler compartment for up to 36 cans and a clear removable plastic liner for double protection against leaks.

Growler Cooler

Fully insulated interior holds up to a 64 oz growler or 2 liter bottle. Cinch top to hold growler/bottle in place. Slit in side for access to growler handle. Removable strap. Will keep your growler cool, block out beer-damaging UV light, and protect your growler.

Flip & Tumble Bags

From bag to ball, the 24-7 bag is a snap to keep with you all the time. Sure, it will handle milk and eggs like a charm, but its versatile shoulder design also works for everything from day-tripping on travels to bringing your lunch to work.

Plant Based Bags

The only tote bag designed to be repurposed as a rag. Washable, reusable, degradable, plant-based. Made in the USA. 100's of ways to repurpose. This bag is sturdy, super-absorbent and biodegradable. Made with bio based cellulose non-woven fabric.

Solo™ Brand Hybrid Velocity series

Custom Roll Case

Use your luggage to promote a brand that's close to your heart. Durable luggage with a recessed area for a full color decal- turn your bag in to a billboard!

Roll Tote Seattle Sports

Bridge the gap between every day life and outdoor adventure. Built with a fashionable sense the Roll Tote features a sleek design and is constructed with heavy-duty, welded materials.
Built in USA

Wearables

Custom Suits wet effect

100% polyester microfiber
Velcro fly with lace tie closure,
a right side patch pocket with flap closure,
and it's moisture-wicking and fast-drying

J. America Glow Hoodie

"EL" lit piping on zipper placket and hood

Three light-up settings.

Set-on sleeves and pouch pocket.

Batteries not included (two AA batteries needed for operation)

This garment must be hand-washed and hang-dried.

Sublimated Hoodie

Show off your logo with sublimated repeat logo on the lining of the hoodie.

Dry Erase Billboard Hat

Snapback hat with a dry erase surface on the crown for writing messages or drawing

Custom Lego Hat

There is no better way to engage your employees or customers than with the
Block Party Caps.

The bill and front accept any standard size brick (Lego brand or generic). The front
bill will slide off and will fit on most flat bill caps.

Custom Sublimated Jersey

Custom Dye Sublimated apparel / Custom Cut and Sew pieces. The number of logos is limited only by the space on the garment and there is no extra charge for these as they form part of the design. By contrast, screen printed or embroidered logos can add significantly to the cost of the garment.

Design Freedom - The only limitation is your imagination! Sublimated garments far outstrip embroidered, screen printed or other conventional garments in their impact.

Custom Chucks

The Chuck Taylor All Star High Top is the most iconic sneaker in the world, recognized for its unmistakable silhouette, star-centered ankle patch and cultural authenticity. Born on the court but adopted by rebels, rockers, rappers, artists, dreamers, thinkers and originals, the Chuck Taylor All Star continues to celebrate personal style and individual self-expression.

Packable Jacket/Neck Pillow

Stepping aside from their tough, hardwearing and straight up handsome luggage line, Tumi also offers ways to stay warm and comfortable with some fresh, versatile, outerwear, the “Pax” Patrol Travel jacket keeping is functional with a two-in-one design. As a layer, it performs as a water-resistant, down-filled, lightweight jacket with engineered seams for a neat fit. On your travels, it transforms into a neck pillow through a hidden pouch in the neck and a simple roll ‘n fold action.

Ladies Sweatshirt With New Kangaroo Pocket & Trim

Custom designed to develop hand strength for those who need it most.

Custom Guitar (& String Instruments)

Grid Foam Roller

The GRID foam roller is for anybody who wants to move better. Use the GRID for a self-massage and roll through the tight muscles, knots and kinks that prevent feeling good and moving well.

Memory Gift Tree

A Memory Gift Tree is a premium evergreen tree seedling packaged in a beautiful, all-natural bamboo cylinder that you can gift to friends or family so that they can plant and commemorate an important event in their lives

Infant Sleep Box

Create your own custom package as a standalone box or one that contains necessities (body suits, bibs, hats and much more). Both box and mattress are non-toxic and environmentally safe.

Child ID Kit

The image displays the 'Child ID Kit' card and a fingerprint ink strip. The card is a two-sided form with a green border. The front side features the title 'CHILD ID KIT' in large blue letters, a photo of four diverse children, and the text 'YOUR IMPRINT HERE' in large, colorful letters. Below this, there are fields for 'Name:' and 'Date: / /'. The back side is a 'PERSONAL PROFILE' form with sections for 'Expediente Personal', 'Dental Chart', 'Identifying Features', 'Conditions / Medications', 'Allergies', 'Notes', and 'Fingerprint Record'. The fingerprint record section includes a table for recording fingerprints from both hands, with columns for Right/Left Thumb, Index, Middle, Ring, and Pinky. A black ink strip is shown partially covering the bottom right of the card.
